### Virtual class

This conference room is ready. You can join the session now.

Join session

Click to join session

### Recordings

There are no recording to show.

A screenshot of a course management system interface. On the left is a vertical sidebar with menu items: Participants, Badges, Competencies, Grades, Announcements, Topic, Virtual Lesson 2, and Virtual Lesson 3. The main content area shows a list of items under the heading 'Topic'. The first item is 'Virtual class' with a blue circular icon containing a white 'b'. Below it is a document icon with the text 'LAW AND ETHICS IN ADVERTISING'. A blue callout box with an arrow points to the 'Virtual class' icon, containing the text 'Click on the virtual class button'. To the right of the 'Virtual class' item, there is a list of items: 'Assignments', 'Quizes', and 'Class activities', each preceded by a pink dot. Below this list is a line of text: 'and participate accordingly marks will be awarded based on th'. At the bottom of the page, there is a line of red text: 'written standards and principles aga'.

# Stage 5:

**N/B: Ensure when you are using a computer attach earphones that have microphones capability**

**Join using microphone**

# Stage 6:

A screenshot of a virtual class interface with several annotations. A blue box at the top left says 'Allow microphone to be enabled through your browser' with an arrow pointing to a browser notification that says 'mkutano.mmu.ac.ke wants to Use your microphone' with 'Allow' and 'Block' buttons. A blue box at the top center says 'Test the echo of your microphone' with an arrow pointing to a white dialog box that says 'This is a private echo test. Speak a few words. Did you hear audio?' with 'Yes' (thumbs up) and 'No' (thumbs down) buttons. The background shows a chat window with messages and a 'Virtual class' header.

Virtual class

MMU

This is a private echo test. Speak a few words. Did you hear audio?

Yes No

Allow microphone to be enabled through your browser

Test the echo of your microphone

# Stage 7: Virtual class

The screenshot displays a virtual class interface. On the left, a sidebar contains 'MESSAGES' (Public Chat), 'NOTES' (Shared Notes), and 'USERS (1)' (KARANI AMOS ... (You)). The main chat area shows a welcome message: 'Welcome to Virtual class! For help on using BigBlueButton see these (short) [tutorial videos](#). To join the audio bridge click the phone icon (top center). Please use a headset to avoid causing background noise for others. This session may be recorded. This server is running [Mkutano web conference](#).' Below the chat is a text input field labeled 'Send message to Public Chat' with a send button. The main conference area shows 'Virtual class' at the top, a user profile for 'KARANI AMOS MWANGI', and a notification 'You have joined the audio conference'. The central content says 'Welcome to Mkutano Web Conference.' and lists features: CHAT, WEBCAM, AUDIO, EMOJIS, BREAKOUT ROOMS, POLLING, SCREEN SHARING, and MULTI-USER WHITEBOARD. At the bottom, there are icons for microphone, phone, and video. Blue boxes with arrows point from the text 'Webcam' to the video icon, 'Microphone' to the microphone icon, and 'Public chat' to the chat input field.
